

# The HOP Food For Families Drive!

From October 31st through November 17th, The HOP will be taking non-perishable food donations in lieu of fare on Fixed Route Service and ADA Special Transit Service. These donations will then be delivered to Food For Families, an annual project that collects non-perishable food and stocks the shelves of area food banks beyond the holiday season. Donation boxes will be placed on each of the buses. Accepted foods include the following non-perishables:

- Canned Goods
- Rice & Flour
- Breakfast Cereal
- Spaghetti Sauce
- Powdered Milk
- Macaroni and Cheese
- Green Beans
- Baked Beans
- Jelly
- Dry Beans
- Sugar
- Fruit Juice
- Spaghetti
- Canned Soup
- Powdered Mash Potatoes
- Corn
- Sweet Peas

In prior years, a total of 2,395 pounds was collected and this year, The HOP would like to donate over 3,000 pounds in non-perishable goods. Be a part of this tradition and help your fellow Central Texans: Please donate non-perishable food products that people need most!
