In order for a Contractor to be eligible to be awarded the Contract, the Proposal must be responsive to the Request for Proposal, and HCTD must be able to determine that the Contractor is responsible to perform the Contract satisfactorily. Responsive Proposals are those complying in all material aspects of the solicitation. Proposals which do not comply with all the terms and conditions of this solicitation may be rejected as nonresponsive. A Contractor may, at any time after the submission of the Proposal, be requested to submit further written evidence verifying that the firm(s) meet the criteria necessary to be determined a responsible Contractor. Refusal to provide requested information may result in the Contractor being declared nonresponsive, and the Proposal may be rejected.

2. EVALUATION OF PROPOSAL

Proposals will be reviewed for compliance with the requirements of the RFP. Those proposals which are deemed incomplete will be rejected. Proposals will also be scored on the clarity and completeness.

A committee of HCTD staff will evaluate the responses and will make a recommendation for award based on the best value to the agency. Evaluation will be based on the following criteria:

If HCTD notifies a firm/interview that an oral presentation is required, HCTD shall inform the firm/individual of the schedule, order and procedure for the presentation, including its content, time limits, identity of the presenters, and use of handouts and visual aids. HCTD may videotape any presentations. Any cost incurred by the vendor/supplier is the responsibility of the vendor/supplier and cannot be charged to HCTD.

HCTD is not party to defining the division of work between the Contractor and its Subcontractors, if any, and the Specifications and/or Scope of Work has not been written with this intent.

Contractor represents that it has or will obtain all duly licensed and qualified personnel and equipment required to perform hereunder. Contractor's performance under this Contract may be monitored and reviewed by HCTD Procurement Officer. Reports and data required to be provided by Contractor shall be delivered to HCTD Procurement Officer. Questions by Contractor regarding interpretation of the terms, provisions, and requirements of this Contract shall be addressed to HCTD Procurement Officer for response.

Notification of Delay

Contractor will notify HCTD Procurement Officer as soon as Contractor has, or should have, knowledge that an event has occurred which will delay delivery or start-up of services. Within five days, Contractor will confirm such notice in writing furnishing as many details as is available.

Request for Extension

Contractor agrees to supply, as soon as such data are available, any reasonable proofs that are required by HCTD Procurement Officer to make a decision of any request for extension. HCTD Procurement Officer will examine the request and any documents supplied by Contractor and will determine if Contractor is entitled to an extension and the duration of such extension. HCTD Procurement Officer will notify Contractor of the decision in writing. It is expressly understood and agreed that Contractor will not be entitled to damages or compensation and will not be reimbursed for losses on account of delays resulting from any cause under this provision.

Contract Changes

Any proposed change in the contract will be submitted to HCTD for its prior written approval and HCTD will make the change by a Change Order if agreed upon by both parties in writing. Each written Change Order will expressly include any change in the Contract price or delivery schedule. No oral order or conduct by HCTD will constitute a Change Order unless confirmed in writing by HCTD.

Instructions by Unauthorized Third Persons

In accordance with subsection 5-4, Contract Changes, of the solicitation, HCTD Procurement Officer or his or her authorized representative are the only persons authorized to make changes within the general scope of the Contract.

Any instructions, written or oral, given to Contractor by someone other than HCTD Procurement Officer or his or her authorized representative, which are considered to be a change in the Contract, will not be considered as an authorized Contract change. Any action on the part of Contractor taken in compliance with such instructions will not be grounds for subsequent payment or other consideration in compliance with the unauthorized change.

Cost or Price Analysis

HCTD reserves the right to conduct a cost or price analysis for any purchase. HCTD may be required to perform a cost analysis when competition is lacking for any purchase. Sole source procurements which result in a single Bid being received will be subject to a cost analysis which will include the appropriate verification of cost data, the evaluation of specific elements of costs and the projection of data to determine the effect on Bid prices. HCTD may require a Pre-Award Audit and potential Contractors shall be prepared to submit data relevant to the proposed work which will allow HCTD to sufficiently determine that the proposed price is fair, reasonable, and in accordance with Federal, State and local regulations. Procurements resulting in a single Bid will be treated as a negotiated procurement and HCTD reserves the right to negotiate with the single Contractor to achieve a fair and reasonable price. If a negotiated price cannot be agreed upon by both parties, HCTD reserves the right to reject the single Bid. Contract change orders or modifications will be subject to a cost analysis.

Lack of Funds

If expected or actual funding is withdrawn, reduced, or limited in any way prior to the expiration date set forth in this Contract or in any amendment hereto, HCTD may, upon written notice to Contractor, terminate this Contract in whole or in part. Such termination shall be in accordance with HCTD's rights to terminate for convenience or default.

Force Majeure

The timely receipt of HCTD's requirements is essential. If the requirements are not received on time in accordance with the delivery schedule, HCTD may cancel the unfilled portion of the contract for cause, purchase substitute requirements elsewhere, and recover from Contractor any increased costs, thereby incurred together with all resulting incidental and consequential damages. HCTD may also terminate for cause, purchase substitute requirements elsewhere and recover costs and damages for breach of Contractor obligations.

The Contractor shall be entitled to a reasonable extension of time from HCTD for the delays caused by damage to Contractor's and/or HCTD's property caused by fire, lightning, earthquakes, tornadoes, and other extreme weather conditions or acts of nature, power failures, riots, acts of civil or military authorities of competent jurisdiction, strikes, lockouts, and any other industrial, civil or public disturbances beyond the control of the Contractor and its subcontractors causing the inability to perform the requirements of this Contract. Any delay other than ones mentioned above shall constitute a breach of Contractor's contractual obligations.

Taxes, Licenses, Laws, and Certificate Requirements

Contractor shall maintain and be liable for all taxes, fees, licenses, and costs as may be required by federal, state, and local laws, rules, and regulations for the conduct of business by Contractor and any subcontractors and shall secure and at all times maintain any and all such valid licenses and permits as may be required to provide the services or supplies under this Contract. If for any reason, Contractor's required licenses or certificates are terminated, suspended, revoked, lapsed, or in any manner modified from their status at the time this Contract becomes effective, Contractor shall immediately notify HCTD in writing of such condition.

Contractor will give all notices and comply with all federal, state, local and HCTD laws, ordinances, rules, regulations, standards, and orders of any public authority bearing on the performance of the Contract, including, but not limited to, the laws referred to in these General Provisions of the Contract and the other Contract Documents. If the Contract Documents are at variance therewith in any respect, any necessary changes shall be adjusted by appropriate modification. Omission of any applicable laws, ordinances, rules, regulations, standards or orders by HCTD in the Contract Documents shall be construed as an oversight and shall not relieve the Contractor from his obligations to meet such fully and completely. Upon request, Contractor shall furnish to HCTD certificates of compliance with all such laws, orders and regulations. Contractor shall be responsible for obtaining all necessary permits and licenses required for performance under the Contract.

Applicable provisions of all federal, state, and local laws, and of all ordinances, rules, and regulations shall govern any and all claims and disputes which may arise between person(s) submitting a Bid response hereto and HCTD, by and through its officers, employees and authorized representatives, or any other persons, natural and otherwise, and lack of knowledge by any Contractor shall not constitute a cognizable defense against the legal effect thereof.

Defective Work, Materials or Services

When and as often as HCTD determines that the work, materials, or services furnished under the Contract are not fully and completely in accordance with any requirement of the Contract, it may give notice and description of such non-compliance to Contractor. Within seven (7) calendar days of receiving such written notification, Contractor must supply HCTD with a written detailed plan which indicates the time and methods needed to bring the work, materials, or services within acceptable limits of the Contract. HCTD may reject or accept this plan at its discretion. In the event this plan is rejected, the work, materials, or services will be deemed not accepted and returned to Contractor at Contractor's expense. This procedure to remedy defects is not intended to limit or preclude any other remedies available to HCTD by law, including those available under the Uniform Commercial Code.

Assignment

Contractor shall not assign any interest, obligation, or benefit under or in this Contract or transfer any interest in the same, whether by assignment or notation, without the prior written consent of HCTD. If an assignment is approved, this Contract shall be binding upon and inure to the benefit of the successors of Contractor. This provision shall not prevent Contractor from pledging any proceeds from this Contract as security to a lender. An assignment may be conditioned upon the posting of bonds, securities and the like by the assignee and the assignee must assume the written

Contract and be responsible for the obligations and liabilities of Contractor, known and unknown, under this Contract and applicable law.

HCTD may assign its rights and obligations under the Contract to any successor to the rights and functions of HCTD or to any governmental agency to the extent required by applicable laws or governmental regulations, or to the extent HCTD deems necessary or advisable under the circumstances.

Indemnification and Hold Harmless

To the maximum extent permitted by law, and except to the extent caused by the sole negligence of HCTD, and except to the extent caused by decisions, omissions or actions made in good faith, with the care that an ordinarily prudent person in a like position would exercise under similar circumstances, and in a manner which is believed to be in the best interests of HCTD, Contractor shall indemnify, defend, and hold harmless HCTD, their appointed officials, officers, agents, and employees, from and against any and all claims, suits, actions, losses, costs, penalties, and damages of any kind or nature whatsoever arising out of, in connection with, or incident to the services provided by or on behalf of Contractor, including, but not limited to, reasonable attorney fees, expert expenses and costs of litigation. In addition, Contractor shall, at HCTD's option, assume the defense of HCTD and its officers and employees in all legal or claim proceedings arising out of, in connection with, or incident to such indemnified services, and shall pay all defense expenses, including reasonable attorney's fees, expert fees, and costs incurred by HCTD on account of such litigation or claims. This indemnification obligation shall include, but is not limited to, all claims against HCTD by an employee or former employee of Contractor or its subcontractors, and Contractor, by mutual negotiation, expressly waives all immunity and limitation on liability, as respects HCTD only, under any industrial insurance act, other than the Worker's Compensation Act, the Disability Benefit Act, or other employee benefit act of any jurisdiction, which would otherwise be applicable in the case of such claim. This indemnification obligation shall also obligate Contractor to protect, indemnify, defend, and save harmless HCTD, their appointed officials, officers, officials, agents, and employees from any and all claims or lawsuits alleging a violation of a third party's copyright or patent rights arising out of, or in connection with, Contractor's provision of services under this Contract. Notwithstanding anything provided in this Subsection, HCTD retains the right to provide its own defense against any suits, claims, or actions, and to assess any costs of such defense to Contractor, including reasonable attorney's fees, expert witness fees, and court costs.

Termination

All contracts in excess of \$10,000 must address termination for cause by the non-federal entity including the manner by which it will be effected and the basis for settlement.

Termination

- a. Termination for Convenience (General Provision) HCTD may terminate this contract, in whole or in part, at any time by written notice to the Contractor when it is in the Government's best interest. The Contractor shall be paid for the work it has completed consistent with its contract requirements. No contract close-out costs and lost profits shall be paid to the Contractor. Termination will be effected by written notice at least ten (10) days prior to termination date. If the Contractor has any property in its possession belonging to HCTD, the Contractor will account for the same, and dispose of it in the manner HCTD directs.
- b. Termination for Default [Breach or Cause] If the Contractor does not deliver supplies in accordance with the contract delivery schedule, or, if the contract is for services, the Contractor fails to perform in the manner called for in the contract, or if the Contractor fails to comply with any other provisions of the contract, HCTD may terminate this contract for default. Termination shall be effected by serving a notice of termination on the contractor setting forth the manner in which the Contractor is in default. The contractor will only be paid the contract price for supplies delivered and accepted, or services performed in accordance with the manner of performance set forth in the contract.
If it is later determined by HCTD that the Contractor had an excusable reason for not performing, such as a strike, fire, or flood, events which are not the fault of or are beyond the control of the Contractor, HCTD, after setting up a new delivery of performance schedule, may allow the Contractor to continue work, or treat the termination as a termination for convenience.

- c. Opportunity to Cure HCTD in its sole discretion may, in the case of a termination for breach or default, allow the Contractor ten (10) business days in which to cure the defect. In such case, the notice of termination will state the time period in which cure is permitted and other appropriate conditions.
If Contractor fails to remedy to HCTD's satisfaction the breach or default of any of the terms, covenants, or conditions of this Contract within ten (10) days after receipt by Contractor of written notice from HCTD setting forth the nature of said breach or default, HCTD shall have the right to terminate the Contract without any further obligation to Contractor. Any such termination for default shall not in any way operate to preclude HCTD from also pursuing all available remedies against Contractor and its sureties for said breach or default.
- d. Waiver of Remedies for any Breach In the event that HCTD elects to waive its remedies for any breach by Contractor of any covenant, term or condition of this Contract, such waiver by HCTD shall not limit HCTD's remedies for any succeeding breach of that or of any other term, covenant, or condition of this Contract.
- e. Termination for Convenience of Default (Cost-Type Contracts) HCTD may terminate this contract, or any portion of it, by serving a notice of termination on the Contractor. The notice shall state whether the termination is for convenience of HCTD or for the default of the Contractor. If the termination is for default, the notice shall state the manner in which the contractor has failed to perform the requirements of the contract. The Contractor shall account for any property in its possession paid for from funds received from HCTD, or property supplied to the Contractor by HCTD. If the termination is for default, HCTD may fix the fee, if the contract provides for a fee, to be paid the contractor in proportion to the value, if any, of work performed up to the time of termination. The Contractor shall promptly submit its termination claim to HCTD and the parties shall negotiate the termination settlement to be paid the Contractor.
If the termination is for the convenience of HCTD, the Contractor shall be paid as provided for in Section 7-13 (a).

- C. It will review the U.S. GSA “System for Award Management – Lists of Parties Excluded from Federal Procurement and Nonprocurement Programs,” if required by U.S. DOT regulations, 2 C.F.R. part 1200.
- D. It will ensure that its Third-Party Agreements contain provisions necessary to flow down these suspension and debarment provisions to all lower tier covered transactions.
- E. If the Recipient suspends, debars, or takes any similar action against a Third-Party Participant or individual, the Recipient will provide immediate written notice to the:
 - I. FTA Regional Counsel for the Region in which the Recipient is located or implements the Underlying Agreement;
 - II. FTA Headquarters Manager that administers the Grant or Cooperative Agreement; or
 - III. FTA Chief Counsel.

Never Contract with the Enemy

The Recipient agrees to the regulations implementing Never Contract with the Enemy in 2 CFR part 183. The regulations in 2 CFR part 183 affect covered contracts, grants and cooperative agreements that are expected to exceed \$50,000 within the period of performance, are performed outside the United States and its territories, and are in support of a contingency operation in which members of the Armed Forces are actively engaged in hostilities.

Resolution of Disputes, Breaches, or Other Litigation

A. FTA Interest

FTA has a vested interest in the settlement of any violation of federal law, regulation, or requirement, or any disagreement involving the Award, the accompanying Underlying Agreement, and any Amendments thereto including, but not limited to, a default, breach, major dispute, or litigation, and FTA reserves the right to concur in any settlement or compromise.

B. Notification to FTA; Flow Down Requirement

If a current or prospective legal matter that may affect the Federal Government emerges, the Recipient must promptly notify the FTA Chief Counsel and FTA Regional Counsel for the Region in which the Recipient is located. The Recipient must include a similar notification requirement in its Third-Party Agreements and must require each Third-Party Participant to include an equivalent provision in its sub-agreements at every tier, for any agreement that is a “covered transaction” according to 2 C.F.R. §§ 180.220 and 1200.220.

- I. The types of legal matters that require notification include, but are not limited to, a major dispute, breach, default, litigation, or naming the Federal Government as a party to litigation or a legal disagreement in any forum for any reason.

- II. Matters that may affect the Federal Government include, but are not limited to, the Federal Government's interests in the Award, the accompanying Underlying Agreement, and any Amendments thereto, or the Federal Government's administration or enforcement of federal laws, regulations, and requirements.
- III. Additional Notice to U.S. DOT Inspector General. The Recipient must promptly notify the U.S. DOT Inspector General in addition to the FTA Chief Counsel or Regional Counsel for the Region in which the Recipient is located, if the Recipient has knowledge of potential fraud, waste, or abuse occurring on a Project receiving assistance from FTA. The notification provision applies if a person has or may have submitted a false claim under the False Claims Act, 31 U.S.C. § 3729 et seq., or has or may have committed a criminal or civil violation of law pertaining to such matters as fraud, conflict of interest, bid rigging, misappropriation or embezzlement, bribery, gratuity, or similar misconduct involving federal assistance. This responsibility occurs whether the Project is subject to this Agreement or another agreement between the Recipient and FTA, or an agreement involving a principal, officer, employee, agent, or Third-Party Participant of the Recipient. It also applies to subcontractors at any tier. Knowledge, as used in this paragraph, includes, but is not limited to, knowledge of a criminal or civil investigation by a Federal, state, or local law enforcement or other investigative agency, a criminal indictment or civil complaint, or probable cause that could support a criminal indictment, or any other credible information in the possession of the Recipient. In this paragraph, "promptly" means to refer information without delay and without change. This notification provision applies to all divisions of the Recipient, including divisions tasked with law enforcement or investigatory functions.

C. Federal Interest in Recovery

The Federal Government retains the right to a proportionate share of any proceeds recovered from any third party, based on the percentage of the federal share for the Underlying Agreement. Notwithstanding the preceding sentence, the Recipient may return all liquidated damages it receives to its Award Budget for its Underlying Agreement rather than return the federal share of those liquidated damages to the Federal Government, provided that the Recipient receives FTA's prior written concurrence.

D. Enforcement

The Recipient must pursue its legal rights and remedies available under any Third-Party Agreement or any federal, state, or local law or regulation.

E. Agency Process

Disputes arising in the performance of this Contract which are not resolved by agreement of the parties shall be decided in writing by the authorized representative of HCTD Board of Directors. This decision shall be final and conclusive unless within five (5) days from the date of receipt of its copy, the Contractor mails or otherwise furnishes a written appeal to HCTD Board Chair. In connection with any such appeal, the Contractor shall be afforded an opportunity to be heard and to offer evidence in support of its position. The

decision of HCTD Board Chair shall be binding upon the Contractor and the Contractor shall abide by the decision.

Claims for Damages - Should either party to the Contract suffer injury or damage to person or property because of any act or omission of the party or of any of his employees, agents or others for whose acts he is legally liable, a claim for damages therefor shall be made in writing to such other party within a reasonable time after the first observance of such injury or damage.

Remedies - Unless this contract provides otherwise, all claims, counterclaims, disputes and other matters in question between HCTD and the Contractor arising out of or relating to this agreement or its breach will be decided by arbitration if the parties mutually agree, or in a court of competent jurisdiction within the State of Texas, San Saba County or Bell County.

Rights and Remedies - The duties and obligations imposed by the Contract Documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by HCTD or the Contractor shall constitute a waiver of any right or duty afforded any of them under the Contract, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.

Lobbying Restrictions

The Recipient agrees that neither it nor any Third-Party Participant will use federal assistance to influence any officer or employee of a federal agency, member of Congress or an employee of a member of Congress, or officer or employee of Congress on matters that involve the Underlying Agreement, including any extension or modification, according to the following:

- II. U.S. Office of Personnel Management regulations, “Political Activity of State or Local Officers or Employees,” 5 C.F.R. part 151; and
- III. 49 U.S.C. § 5323(l)(2) and 23 U.S.C. § 142(g), which limits the applicability of the Hatch Act, as follows:
 - a. The Hatch Act does not apply to nonsupervisory employees of a public transportation system, or any other agency or entity performing related functions, based upon the Award of federal assistance under 49 U.S.C. chapter 53 or 23 U.S.C. § 142(a)(2); but
 - b. Notwithstanding the preceding section 4(e)(3)(ii) of this Master Agreement, the Hatch Act does apply to a nonsupervisory employee if imposed for a reason other than the Award of federal assistance to its employer under 49 U.S.C. chapter 53 or 23 U.S.C. § 142(a)(2).

D. Lobbying and Disclosure Certification

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. § 1352 (as amended by the Lobbying Disclosure Act of 1995). The following clause language is suggested, not mandatory. It incorporates the payment terms and conditions applicable to all subcontractors based in Part 26 as well as those related only to DBE subcontractors. Each subcontract the contractor signs with a subcontractor must include the assurance in this paragraph (see 49 CFR 26.13(b)).

{If no separate contract goal has been established, use the following} The successful bidder/offeror will be required to report its DBE participation obtained through race-neutral means throughout the period of performance.

d. The contractor is required to pay its subcontractors performing work related to this contract for satisfactory performance of that work no later than 30 days after the contractor's receipt of payment for that work from the **Hill Country Transit District**.
